Participant Selection Process

There is no fee for the Autism Summer Camp Program at the Kinark Outdoor Centre. The experience is funded through the Autism Spectrum Disorder Respite Services Fund of the Ontario Ministry of Child and Youth Services for the Central East and Central West Regions. Due to staffing, facility and funding limitations, there are not enough program participant positions for all applicants. To be eligible **all applications must be received by 5:00 p.m. January 6th, 2017.** Applicants are then selected using a random lottery process. All applicants will be notified of their status by e-mail (if no email is provided applicants will be notified by regular mail) on **January 22nd.** Please contact the Kinark Outdoor Centre by February 6th if you have not received a notification by email or mail. The Kinark Outdoor Centre will contact each camper selected through the lottery to ensure a suitable fit for the camper to attend summer camp, suitability is based on staff to camper ratio, safety/physical/behavioral needs of the camper and the camp environment. Camp spots will be confirmed after the intake process is completed. If you have any questions about suitability for the camp program please contact the office before filling out the registration form and a member of the coordinator team will be happy to help you make an informed decision. **Alternatively, to registration online please visit our website at www.koc.on.ca.**
