VALUES

Compassion

Leading with understanding and acceptance, we start from a place of appreciation for our clients' needs, building relationships centered around trust, listening, and humanity.

Inclusivity

Our spaces are safe, welcoming, and representative, where people are free from judgement and barriers to access. We are committed to equity, diversity, and inclusion throughout our organization.

Engagement

Through partnering with those we serve, we advocate for and develop services that are accessible and responsive to individuals' needs.

Adaptability

We have a keen appetite for growth, curiosity, and continuous learning that allows us to remain flexible and creative in the face of change.

Collaboration

We value and uphold the importance of working together. We develop strong relationships with our partners, new and existing, and actively seek ways to leverage our collective expertise and experience.

Quality

We provide a high standard of service rooted in evidence-based practices, supporting our clients along their journey. Together, we deliver impactful services leading to meaningful change.

VISION

Healthy, thriving and connected communities that support personal growth and wellbeing.

Des communautés saines, florissantes et unies qui favorisent l'épanouissement personnel et le bien-être.

MISSION

Through leadership and partnerships, we ensure that children and youth have integrated, accessible, and inclusive mental health services when and where they need them.

Grâce au leadership et à la création de partenariats, nous assurons aux enfants et aux jeunes l'accès à des services de santé mentale intégrés et inclusifs au moment et à l'endroit voulus.
